My dear friend

I am safe at home, sweet home.

All is excitement here about the meeting. Some of our friends purpose arising to welcome our friend Geo. Thompson by the ringing of Bells.

I am glad to find that Henry Richardson and other Friends are at last taking an interest in the matter. I have not seen him yet but will call shortly.

Now I think as we shall have a good deal to talk over and many will want

to see you, would it not
be better for you to leave
at 8 minutes to eleven and
be with us at 1/4 to one —

Have just had Geo. Harris
he says Sam today he will be
with me to meet you at
the Station at 1/4 to one he

sends his kind love. We
think it will be desirable
for you call upon the Mayor
in the afternoon.

Mr Harris will have dinner
ready at two o'clock &
anxiously expecting to see
you and with kindest love

Sam
yours affectly
